OVERVIEW

Airport Industria Warehouse units to let at 55 Manhattan Street. This is a neat industrial park consisting of two rows of four warehouse units comprising eight units in total. Each unit has well-configured office area with a full height roller shutter door and good internal stacking height. The end units are highly visible onto the N2 National Road for advertising signage purposes. The unit is secure with a single wide entrance gates with access control and electronic gate motors.

Currently, there are 3 Units available:

- Unit 3 – 326sqm
- Unit 4 – 328sqm
- Unit 8 – 380sqm
- Unit 3 & 4 can be combined to create a 654m² Unit

All units are available immediately.
